About WLI-MT

WLI-MT is a 501-C3, nonprofit organization based in Bozeman whose **Mission** is to make language & culture programming available to all Montanans.

WLI-MT's Language & Culture Coaches teach dynamic and fun classes with an expectation of staying in the target language 75-95% of class time. Our team utilizes the Communicative Language Teaching model and places an emphasis on language learning through student engagement in cultural activities and project-based learning. Lesson planning templates and guidance are available. However, we encourage our Coaches to teach subjects and topics about which they are passionate; for example, one Language Coach may focus primarily on art, while another focuses on music or sports.

Through the Coaches Up! Program, WLI guides and trains our Language Coaches on best teaching practices, pedagogy, and classroom management.
